Dear Valued Customer,

Since 1980, it has been our sincere honor to serve you as one of our valued customers. Effective May 10, 2019 Canyon Office Solutions has been acquired by the Fruth Group. Fruth Group is one of the fastest growing technology companies in the Southwest with multiple locations to better serve our clients in Arizona and California.

The decision to collaborate with the Fruth Group came down to our customers' needs, and the trust that they would be met with the utmost integrity. We wanted to provide our clients with the products and services they continue to need, but also add more competitive offerings like IT Services and Phones.

I am excited for the future of our employees, but most of all, for our customers like you. The service you've always expected from Canyon has just become infinitely better with the added resources of Fruth Group.
